MIDWEST CLINICAL RESEARCH CENTER

Dayton, Ohio

For business development inquiries, please contact Thievon-Wright Consulting Group at 908.756.4411.

Midwest Clinical Research Center, a subsidiary of Evolution Research Group, is an inpatient/outpatient research facility experienced in psychiatry, neurology, addiction, sleep and pain indications.

Located within a large medical campus, Midwest Clinical Research Center also conducts inpatient and outpatient post-op pain studies in association with an on-site surgical center.

RESEARCH FACILITY

The surgical center includes:

- Five operating rooms with a 12-bed surgical suite.

The research site includes:

- 18-bed clinical research unit with private and semi-private rooms.
- Patient recreation/dining areas.
- Dedicated, controlled and secure indoor smoking room.
- Indoor smoking room equipped with a recirculating ventilation system. Dedicated, controlled and secure outdoor smoking area. Experience with topography, spirometry, CO measurements and PK biomarkers.
- -20 and -70 degree freezers.
- Refrigerated centrifuge.
- Temperature-controlled, double-locked medication room with controlled key code and video monitored access.
- Large source document room with controlled key code access.

MIDWEST CLINICAL RESEARCH CENTER

Otto Dueno, M.D., is the Medical Director of Midwest Clinical Research Center. He has served as Principal Investigator or Sub-Investigator on 82 clinical trials. He also maintains an outpatient clinical practice and has extensive experience in acute adult inpatient care and geriatrics.

Dr. Dueno is a member of the Ad Hoc Advisory Committee on Addiction and Pain Control Issues for the Ohio Psychiatric Physicians Association. He received his medical degree from Universidad Central del Caribe School of Medicine in Puerto Rico and completed his residency in Psychiatry at The Ohio State University. He is board certified by the ABPN.

Bernadette D’Souza, M.D., is the founder of Midwest Clinical Research Center in Dayton, Ohio. Since the center was established in 2002, Dr. D’Souza has functioned as the Principal Investigator on more than 200 clinical studies.

Dr. D’Souza is a Certified Physician Investigator through the Association of Clinical Research Professionals. Dr. D’Souza is board certified in Psychiatry by the American Board of Psychiatry and Neurology, and previously served as an examiner for the Ohio Board of Psychiatry.

Dr. Isabel Kuhar-Arcure, D.O., is a pediatrician who joined Midwest Clinical Research Center in 2015. Dr. Kuhar-Arcure has served as Sub-Investigator on more than 25 clinical trials. She received her medical degree from University of Medicine and Dentistry of New Jersey in Stratford, New Jersey, and completed her residency at Robert Wood Johnson Hospital, New Brunswick, New Jersey.
